### WHAT'S NEW:

## "PRCL WEBSITE GOES LIVE"

WE ARE VERY PLEASED TO ANNOUNCE THE LAUNCH OF THE BRAND NEW PRINCE RUPERT COMMUNITY LEAGUE WEB SITE. YOU CAN FIND US ONLINE AT [WWW.PRINCERUPERTCOMMUNITY.CA](http://WWW.PRINCERUPERTCOMMUNITY.CA).

The new web site features news, a calendar of events, and information about upcoming programs and activities. In addition, we have included a page earmarked for community announcements, and we invite all community residents to send in news of your new bundle of joy, upcoming garage sale, a welcome to a new neighbor or any other announcement that you care to share.

We also plan on adding a local photo gallery, and encourage all area photographers to send in their photos of the people and places in our community.

A special "thank you" goes out to Digital Rose Design Studio for donating their services to bring our site to life.

A MESSAGE FROM THE PRESIDENT:  
**A FEW WORDS FROM  
LAURA ...**

**DATE: MAY 11, 2008**

**I WOULD LIKE TO THANK EVERYONE FOR COMING OUT TO THE PRINCE RUPERT COMMUNITY LEAGUE (PRCL) ANNUAL GENERAL MEETING AND BBQ ON APRIL 30, 2008.**

It was a very successful evening and a wonderful opportunity to meet new people in the community and say hello to the ones I know already. I greatly appreciate everyone staying around afterwards to have an open discussion about the community league and I hope we can build on these comments and suggestions that were made.

For the people that have not had a chance to meet me yet, I have lived in Prince Rupert area for 4 years and held the positions of Ways and Means Coordinator and Secretary for the PRCL. I work full time for Ropin' the Web at Alberta Agriculture and Rural Development and have the most amazing job being able to talk to people of all ages about agriculture. I am also the District F Representative for the 16 community leagues in our area and sit on the Edmonton Federation of Community Leagues (EFCL) board. There is so many wonderful ways to get involved and have a say in what's happening in our city, and being involved in our community league is a great first step.

I would like to continue to build on community involvement, activities, programs, and most of all working together to have a neighbourhood we are all proud to live in. I look forward to meeting you at our events, activities and programs and our monthly general meetings. If you have concerns, thoughts, and comments or just want to know how to get involved with our community league, feel free to contact me by email at [president@princerupertcommunity.ca](mailto:president@princerupertcommunity.ca) or leave a message for me at the PRCL hall at 780-455-3327.

I believe we have a great group of people on our executive and I look forward to seeing what we can accomplish this year to make everyone be proud to be in the Prince Rupert Community League.
